Seasonal stories for both hemispheres.

A seasonal wholesale edit for Europe, North America, Australia & New Zealand

Two hemispheres. One collection.

Follow the destination market’s season, then build around the occasions that matter locally.

EUROPE + NORTH AMERICA

September–February

Northern Hemisphere

AUSTRALIA + NEW ZEALAND

March–August

Southern Hemisphere

Northern autumn / winter

October: Halloween and Canadian Thanksgiving. November: US Thanksgiving and Black Friday. December: Christmas. January: New Year. February: Valentine’s Day and cosy gifting.

Southern autumn / winter

March/April: Easter. May: Mother’s Day in Australia/New Zealand. June–August: midwinter gatherings, Christmas-in-July promotions and Father’s Day range planning for September.

A permanent Christmas chapter

Christmas remains in this brochure as a core buying theme. For Australia/New Zealand it is a forward-order chapter for December summer gifting; for Europe/North America it is a winter retail chapter.

Dates such as Easter, Mother’s Day and Father’s Day vary by year and country. Confirm the target market calendar before placing a seasonal order.

A palette for everyday moments.

Fashion-facing colour ideas selected to work with the existing Lanarve collection.

Warm ivory

Build a calm base

Use ivory and soft neutrals as the connective colour across formats.

Choose a seasonal lead

Let two hero colours carry the display; add one metallic or saturated accent.

Keep the family together

Pair related vessels and packaging finishes within the same shelf story.

Editorial merchandising proposals, not a certified colour forecast. Screen and print colours are indicative; approve colour with the physical sample.

Prestige scent directions.

Established prestige-fragrance references for seasonal inspiration, not a live sales ranking.

Made for your collection.

An approachable sampling and sourcing conversation for independent retailers, gift shops and design-led buyers.

01 Start with a small edit

Small-batch orders are welcome. Select a coordinated group by fragrance, colour or occasion; MOQ and availability are discussed for your requirements.

02 Sample before you commit

Sample fee: US$50 per design, refundable when an order is placed. Samples are ready in 7 days. Confirm the sample brief and delivery arrangements with our team.

03 Make the presentation yours

Discuss private label, fragrance direction, vessel colour, labels and packaging. Box format, materials, inserts, pack contents and dimensions are open to mutual agreement.

04 Plan around the destination market

Tell us the country, target on-shelf date, estimated quantity and preferred formats. Production lead time, freight, carton details and purchasing terms are confirmed for the order.

05 Confirm documentation

Our products are qualified for export to European and US markets. Applicable specifications, safety documents and test reports are confirmed for the selected product and destination. Discuss Australian/New Zealand requirements with your order.

Let’s create beautiful moments.
