Seasonal stories for both hemispheres.

A seasonal wholesale edit for Europe, North America, Australia & New Zealand

Two hemispheres. One collection.

Follow the destination market’s season, then build around the occasions that matter locally.

EUROPE + NORTH AMERICA

March–August

Northern Hemisphere

AUSTRALIA + NEW ZEALAND

September–February

Southern Hemisphere

Northern spring / summer

March: UK Mothering Sunday. March/April: Easter. May: Mother’s Day in the US and many European markets. June: Father’s Day in the US/UK. July: US Independence Day. Summer weddings and host gifts.

Southern spring / summer

September: Father’s Day in Australia/New Zealand. October/November: Halloween and global gifting retail campaigns. December: summer Christmas. January: New Year and Australia Day. February: Waitangi Day and Valentine’s Day.

A permanent Christmas chapter

25 December is a fixed gifting moment in both hemispheres. This edit keeps a fresh, light-coloured Christmas assortment for warm-weather celebrations and overseas pre-orders.

Dates such as Easter, Mother’s Day and Father’s Day vary by year and country. Confirm the target market calendar before placing a seasonal order.

A palette for everyday moments.

Fashion-facing colour ideas selected to work with the existing Lanarve collection.

Build a calm base

Use ivory and soft neutrals as the connective colour across formats.

Choose a seasonal lead

Let two hero colours carry the display; add one metallic or saturated accent.

Keep the family together

Pair related vessels and packaging finishes within the same shelf story.

Editorial merchandising proposals, not a certified colour forecast. Screen and print colours are indicative; approve colour with the physical sample.

Prestige scent directions.

Established prestige-fragrance references for seasonal inspiration, not a live sales ranking.

Made for your collection.

An approachable sampling and sourcing conversation for independent retailers, gift shops and design-led buyers.

01 Start with a small edit

Small-batch orders are welcome. Select a coordinated group by fragrance, colour or occasion; MOQ and availability are discussed for your requirements.

02 Sample before you commit

Sample fee: US$50 per design, refundable when an order is placed. Samples are ready in 7 days. Confirm the sample brief and delivery arrangements with our team.

03 Make the presentation yours

Discuss private label, fragrance direction, vessel colour, labels and packaging. Box format, materials, inserts, pack contents and dimensions are open to mutual agreement.

04 Plan around the destination market

Tell us the country, target on-shelf date, estimated quantity and preferred formats. Production lead time, freight, carton details and purchasing terms are confirmed for the order.

05 Confirm documentation

Our products are qualified for export to European and US markets. Applicable specifications, safety documents and test reports are confirmed for the selected product and destination. Discuss Australian/New Zealand requirements with your order.

Let’s create beautiful moments.
